

Evercare® Medicare Advantage plans are offered by United HealthCare Insurance Company and its affiliated companies, Medicare Advantage Organizations with a Medicare contract.

Evercare® Medicare Advantage plans are special needs plans available to all people meeting certain eligibility requirements, such as having both Medical Assistance from the state and Medicare, living in a contracted nursing home, or having a qualifying chronic care condition. This document is available in alternative formats. You must continue to pay your Medicare Part B premium if not otherwise paid for under Medicaid or by another third party. You must have Medicare Parts A and B, and must reside in an Evercare contracted nursing facility in the service area of the plan. For PPO enrollees, reimbursement is provided for all covered benefits regardless of whether they are received in network. You may be able to get extra help to pay for your prescription drug premiums and costs. To see if you qualify for getting extra help, call 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week; the Social Security Administration at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY/TDD users should call 1-800-325-0778; or your State Medicaid Office. Medicare beneficiaries may enroll in Evercare plans through the Centers for Medicare & Medicaid Services Online Enrollment Center, located at www.medicare.gov. For more information contact Evercare at 1-888-834-3721. TTY users can call 711. Evercare's Prescription Drug Benefit is only available to enrollees of the MA-PD plan. If you are already enrolled in a Medicare Advantage Prescription Drug Plan you must receive your Medicare Prescription Drug benefit through that plan. To receive the highest level of benefit you must use contracted network pharmacies to access

your prescription drug benefit except in the case of emergency. You may obtain your prescriptions from pharmacies outside the contracted network at a reduced benefit. The pharmacy network includes retail, mail order, long-term care, home infusion and I/T/U (Indian Health Service, Tribes or Urban Indian) pharmacy services. Only Native Americans and Alaska Natives have access to the Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Evercare's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies). For information about mail order, names and addresses of network pharmacies or for more information call 1-888-867-5518, or TTY: 711, Monday through Friday, 8:00 a.m. to 8:00 p.m. local time. Or write to us at:

PO Box 29600
Hot Springs, AR 71903-0600.

Or go to www.EvercareHealthPlans.com. The plan's contract with CMS is renewed annually. Availability of coverage beyond the end of the current contract year is not guaranteed. Benefits may vary by county and plan.
